

Coach Apparel Contract

As the Head Coach of my respective team I agree to and understand the following:

- Any unnecessary damages to WMHA jerseys and or equipment will be the team's responsibility for covering replacement costs.
- Each team is required to have jersey parents. Players are not allowed to carry their jerseys in their hockey bags.
- Name bars are not allowed on any WMHA jerseys (This includes the U7, U9 and U11 sponsored jerseys).
- Team level advertising on WMHA jerseys for fundraising for that individual team is not permitted.
- I acknowledge that we are not allowed to use spray-on, tape or glue solutions for the C's and A's.
- I acknowledge that if we select captains and assistants, it is the team's responsibility to use the stick-on C's and A's provided by WMHA (via Screencraft).
- I acknowledge that it is my team's responsibility to return the jerseys without the C's and A's on them.
- The jerseys must be returned in sequential order and must be washed and fully dried before being returned after the season.
- We will return the same number of pucks (20 black pucks for games), water bottle holders, first aid kits that we started with at the start of the season. Missing equipment must be replaced with team funds prior to the equipment being returned. (First aid kits will be replaced as required throughout the season when necessary).
- For applicable U9 teams, we will ensure that all the goalie equipment is washed and returned along with the receipt for proof that the equipment was washed and goalie stick returned if borrowed.
